

Nomination Form for the Fish Names Committee Membership

FRDC approves and appoints all Fish Names Committee (FNC) members, to ensure a national and balanced representation of key stakeholders, with the relevant skills and knowledge.

A nominee must be:

- a supporter of Australian Fish Names Standard AS 5300,
- works for/owns a business that meets AS 5300 (where applicable),
- represents a key stakeholder group and/or expertise,
- registers any conflict of interests,
- comply with all policies, procedures, and code of conduct, and
- have available time to actively participate and complete FNC activities and actions.
